Nice chatting with you Jason. As discussed you can continue to liaise with our Essex Detachment Command team in regards to our joint work in relation to potential traffic issues as a result of rolling protests etc. Should intel be received or action by demonstrators taken to shut down the Ambassador bridge dont hesitate to reach out for joint assistance.
As mentioned I have cc'd Supt Dana Earley who oversees our Emegency Response Team for our Region.
You can reach her at REDACTED and you also have my phone number that you can call at any time.
